

**CHARGE UP
YOUR CAREER!**
TRAIN IN THE GROWING FIELD OF AUTISM

Are you interested in helping others?

Have you always wanted to give back and work with those with special needs?

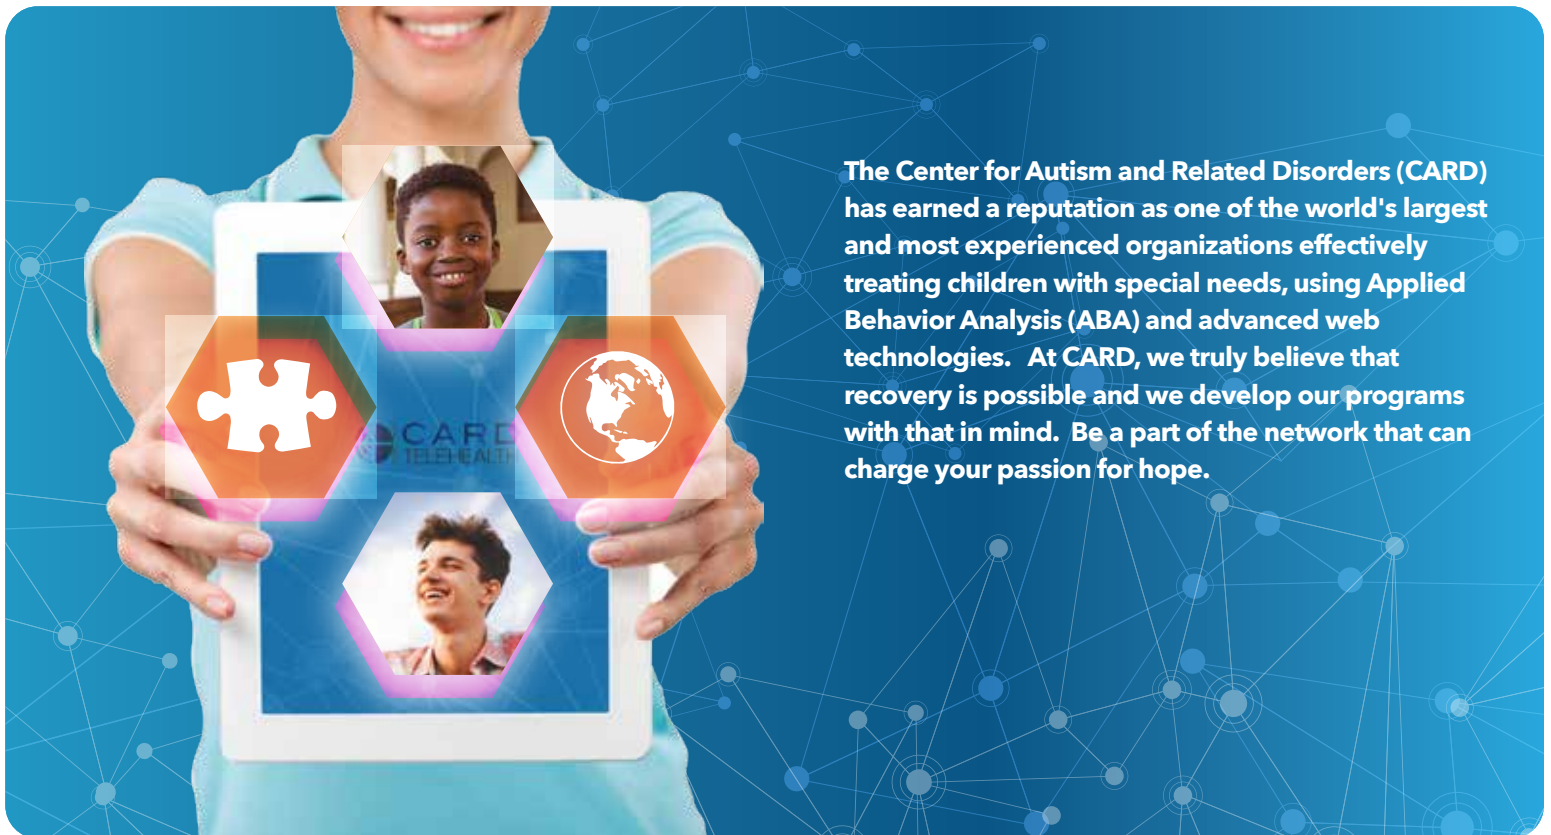

Here at CARD we are currently seeking eager, energetic, and passionate candidates to work one on one with an individual with an Autism Spectrum Disorder. We will provide all the training and supervision through our new innovative Telehealth model.

WHAT WE OFFER

- Flexible Part Time schedules
- Paid Sick Time & opportunities for Paid Holidays
- Hourly rate commensurate with education and experience
- Opportunities for career advancement

WHAT WE REQUIRE

- High School Diploma or Equivalent
- Reliable means of transportation with proof of auto insurance
- Must pass TB test
- Must pass criminal background check

The Center for Autism and Related Disorders (CARD) has earned a reputation as one of the world's largest and most experienced organizations effectively treating children with special needs, using Applied Behavior Analysis (ABA) and advanced web technologies. At CARD, we truly believe that recovery is possible and we develop our programs with that in mind. Be a part of the network that can charge your passion for hope.
